

# 2025 HEART of HEALTHCARE

## *Sponsorship Opportunities*

Volunteers in Medicine, Clinic of the Cascades hosts its second annual fundraising gala, to be held October 9, 2025 in Bend, Oregon (venue TBD). Funds raised at this event support the clinic operations and healthcare VIM provides to uninsured, vulnerable working adults across Central Oregon and our mission is evermore urgent.

This event also serves as an annual professional social event for the healthcare community, recognizing the invaluable service of pro-bono and volunteer healthcare providers who are at the heart of VIM's mission.
